

KICK-EEZ® PRE-FIT CHART

Many stock manufacturers modify their stock dimensions yearly, making it extremely challenging for us to keep one particular model available for one specific manufacturer. In response, we have created 19 templates to assist you in matching your gun stock butt to the correct **KICK-EEZ®** Pre-Fit Pad. To ensure a proper fit, be sure to check the templates for ALL stocks and models of stocks!

AR-15/M4/T6		
Many 6-Position Stocks; must have ¼" step-down for Pad to Snap-On.	Synthetic	AR-15
BAIKAL® (Check Templates!)

Due to many manufacturers' yearly modifications of their stock dimensions, **KICK-EEZ®** Recoil Pad Charts are for reference **only!** Be sure to check the templates for **ALL** stocks & all models of stocks!
NOTE: KICK-EEZ® Pre-Fit Recoil Pads can be ground the same as our Grind-To-Fit Recoil Pads.
